

## Article 17 - Provision of support for economically viable alternative activities

In this section, we cover the provision of support for economically viable alternative activities for tobacco workers, growers, and as the case may be, tobacco sellers.

- Please respond with a "yes or a no" to if you have adopted programmes that promote economically viable and sustainable for tobacco growers, tobacco workers and individual tobacco sellers.
- If there is no tobacco growing or tobacco production in your jurisdiction, please tick 'Not applicable' in these questions.
- Please upload any documentation and a brief summary at the end of the section in the space provided at the end.

Here also provide a brief summary of the progress you have made at national level in implementing Article 17 in the past two years or since the submission of your last report to the WHO FCTC Secretariat.

Please report whether you have used or consulted the policy options and recommendations adopted by the COP for the implementation of Article 17 and 18 of the WHO FCTC, and supply additional details through the optional module, available on the link provided.
