

**F C T C**

WHO FRAMEWORK CONVENTION  
ON TOBACCO CONTROL

S E C R E T A R I A T

## Article 6 – Price and tax measures to reduce the demand for tobacco

## Article 8 – Protection from exposure to tobacco smoke

In this section, you will need to provide information relevant to:

- Price and tax measures to reduce the demand for tobacco, and
- Protection from exposure to tobacco smoke

Please keep in mind that the nature of the data and the process of their collection may involve contacting and requesting data from different government departments (ministries), units, and other relevant agencies or organisations.

### Section C21

Provide information on the adoption and implementation of :

- tax and price policies;
- prohibition or restrictions of sales to international travellers of tax- and duty-free tobacco products; and
- prohibition or restrictions of imports by international travellers of tax- and duty-free tobacco products.

For these above aspects, please provide a short description of the progress you have made within your country in the past two years or since the submission of your last report to the WHO FCTC secretariat.

To support Parties in the introduction of tax policies in accordance with Article 6 of the Convention, Guidelines were developed by the Conference of the Parties. If these Guidelines were used and consulted in your Party then please provide further details or complete the additional questions in the link provided.

### Section C21

- Report details on the adoption and implementation of measures that protect people from exposure to tobacco smoke should be reported.
- Note if you have adopted any legislation banning tobacco smoking in indoor workplaces, indoor public places and/ or other public places.
- The type/nature of the measure providing for the ban needs to be specified as well. Further details on the ban you have implemented should be provided – also add whether it is a complete or a partial ban for each of these settings in the questionnaire.
- Note if you have any specific mechanism or infrastructure for the enforcement of these bans

Please provide a brief summary of the progress you have made in your Parties' implementation of Article 8 in the past two years or since the submission of your last report to the WHO FCTC Secretariat.

Finally, please indicate if you have used or consulted the Guidelines for implementation of Article 8 and please complete the additional questions.
