

WHO FRAMEWORK CONVENTION
ON TOBACCO CONTROL

S E C R E T A R I A T

Article 9 – Regulation of the content of tobacco products

Article 10 – Regulation of tobacco product disclosure

This part requires information related to the regulation of the contents and emissions disclosures of tobacco products, and the disclosure of such information.

Section C23

- Provide data on the adoption and implementation of measures regulating the contents emissions of tobacco products.
- Provide a short description of any new regulation, legislation or policy adopted in your jurisdiction with respect to these requirements of the Convention.

Section C24

- State whether your country requires manufacturers and/or importers of tobacco to disclose to governmental authorities and the public information about the contents or emissions of tobacco products.
- Describe any new regulation, legislation or policy adopted in your jurisdiction with respect to this requirement of the Convention and report whether you have begun implementing those measures
- In the absence of any new legislation, regulation or policy adopted in this period, please state whether you have strengthened enforcement of previously adopted policies

Please provide a brief summary of the progress you have made in your country's implementation of Article 9 and 10 in the past two years or since the submission of your previous report to the WHO FCTC Secretariat. Also, tell us if you have used or consulted the WHO FCTC Guidelines for the implementation of Articles 9 and 10.
