E. Other relevant activities to support the work of the WHO FCTC

E1. Please provide any other relevant information
We work with financial organisations - including public sovereign wealth funds, pension funds and insurers, to educate them about ALL of the above elements of the WHO FCTC, but in particular, to draw their attention to the provisions of the Treaty that relate to Parties NOT having any financial or vested interest in the tobacco industry (Art 5.3). We encourage tobacco-free finance and in 2018 we launched the Tobacco-Free Finance Pledge at UNHQ in New York. To date, there are nearly 200 of the world's largest financial institutions that have signed The Pledge (including banks, insurers, pension plans and sovereign wealth funds) and together they have combined assets under management of more than US \$16 trillion. We continue to actively work globally to promote widespread uptake of The Pledge.
