

WHO FRAMEWORK CONVENTION
ON TOBACCO CONTROL

Reporting instrument of the WHO Framework Convention on Tobacco Control (WHO FCTC)

2025 Reporting Cycle

English

Question number		Question	Instructions
Reporting Party Details			
	Information on the national contact(s)		
1.1.1	Information on the national contact responsible for completing the report: 1.1.1.1 Name 1.1.1.2 Title 1.1.1.3 Institution 1.1.1.4 Website of institution 1.1.1.5 Mailing address 1.1.1.6 Telephone number 1.1.1.7 Email:		
1.1.2	Information on the national contact responsible for submitting the report on behalf of the government: 1.1.2.1 Name 1.1.2.2 Title 1.1.2.3 Institution 1.1.2.4 Website of institution 1.1.2.5 Mailing address 1.1.2.6 Telephone number 1.1.2.7 Email		
	Reporting period		
1.2.1	Reporting period covered in the report: 1.2.1.1 From: year [drop-down] 1.2.1.1 To: year [drop-down]		In general, the reporting period in this report should follow the period which you reported in your previous implementation report. For example, if in your previous implementation report, you covered the period up until 31 December 2022, this report should cover the developments starting from 1 January 2023 and ending at a point in time to be selected by you (e.g, two full years, up until 31 December 2024).
Article 2: Relationship between this Convention and other agreements and legal instruments			
	Progress in implementation		

Question number		Question	Instructions
2.1.1.1		<p>Since the submission of your previous report, have you adopted or implemented any forward-looking measures that could be said to be contemplated by Article 2.1 “measures that go beyond this Convention and its protocols” (e.g. tobacco-free generation or other strategies)?</p> <p>1 Yes 2 No</p>	Reference: Article 2.1
	If yes to adopting or implementing measures that could be said to be contemplated by Article 2.1:		
	2.1.2.1	<p>Please provide details on the forward-looking measures that you have adopted or implemented since the submission of your previous report that could be said to be contemplated by Article 2.1. Please specify proposed date(s) for implementation:</p> <p><i>[Free-text answer]</i> 2.1.2.2 File upload (allow multiple). 2.1.2.3 Webpage URL:</p>	<p>Reference: Article 2.1</p> <p>Article 2.1 refers to “measures that go beyond this Convention and its protocols” (e.g. tobacco-free generation or other strategies).</p> <p>For multiple files, please upload a compressed/Zip folder</p>
Guiding principles; Article 5: General obligations; also in reference to Article 4.7 and products on national market			
		Progress in implementation	
3.1.1.1		<p>Has there been any significant change in the implementation of Article 5 in your country since the submission of your previous report?</p> <p>1 Yes 2 No</p>	<p>Reference: Article 5</p> <p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: any newly developed comprehensive multisectoral national tobacco control strategies, plans and programmes; any new law or regulation adopted; integration of implementation of the Convention in any national health, public health or health promotion strategies, plans and programmes, etc..</p>

Question number		Question	Instructions
	If yes to any significant change in the implementation of Article 5:		
	3.1.1.2	Please briefly describe any significant changes to the implementation of Article 5 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 5 Please describe any significant changes to the implementation of Article 5.1 and 5.2 (General obligations). This section excludes reference to Article 5.3 which will be covered in the subsequent section.
	3.1.1.3	If any of the significant changes to the implementation of Article 5 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 5 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		National tobacco control plan or strategy	
3.2.1.1		What is the status of your current national tobacco control plan or strategy? 1 No current plan or strategy 2 Regarding the current plan or strategy: a. the first national tobacco control plan or strategy is being developed b. A plan or strategy has been in place for several years and is currently being implemented c. A new plan or strategy is being developed d. There is a newly adopted plan or strategy in place 3 Other (please specify)	Reference: Article 5.1 Please refer here to comprehensive, multisectoral, national tobacco control strategies, plans and/or programmes in accordance with the requirements of the Convention.
	If status is other than “no current plan or strategy” above:		
	3.2.1.3	Is your national tobacco control plan or strategy costed? 1 Yes 2 No	Reference: Global Strategy 1.1.1 and 3.2.3

Question number		Question	Instructions
	If yes to having a costed plan or strategy:		
	3.2.1.4	Is your costed national tobacco control plan or strategy fully funded? 1 Yes 2 No	Reference: Global Strategy 1.1.1. and 3.2.3
	3.2.2	Please attach your costed national tobacco control plan or strategy: 3.2.2.1 <i>File upload</i> 3.2.2.2 <i>Webpage URL</i>	Reference: Global Strategy 1.1.1. and 3.2.3 For multiple files, please upload a compressed/Zip folder
Government expenditure on tobacco control			
3.3.1		Please provide the national government's estimated expenditure on tobacco control, for the latest year available, in your country's currency: 3.3.1.1 Expenditure: <i>[number]</i> 3.3.1.2 Currency: <i>currency [drop-down]</i> 3.3.1.3 Year: <i>year [drop-down]</i> 3.3.1.4 Don't know	Reference: Global Strategy 1.1.1. and 3.2.3
Funding for tobacco control			
3.4.1		Do you use any of the following to fund tobacco control activities? Please choose the most appropriate response for each of the below: yes, no 3.4.1.1 Licence fees for tobacco retailing, distribution, etc. 3.4.1.2 Tobacco product registration fees 3.4.1.3 Fines for non-compliance with tobacco control measures	Reference: Article 5 and Article 26.2 and Article 6 and its Guidelines for implementation (Recommendation 5)

Question number		Question	Instructions
		3.4.1.4 Designated tobacco taxes (earmarking) 3.4.1.5 Other fees, including those laid on the tobacco industry (please specify)	
		Participation of civil society	
3.5.1.1		Since your previous report, have you included civil society members who are not affiliated with the tobacco industry, in the development and implementation of national tobacco control approaches? 1 Yes 2 No	Reference: Article 4.7
		Focal point for tobacco control	
3.6.1.1		Do you have a focal point(s) for tobacco control? 1 Yes 2 No	Reference: Article 5.2a A tobacco control focal point refers to a central contact person(s) or institution(s) within government responsible for facilitating WHO FCTC implementation and communicating information about implementation within and outside the country. Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
		National multisectoral coordinating mechanism for tobacco control	
3.7.1.1		Do you have a national multisectoral coordinating mechanism for tobacco control? 1 Yes 2 No	Reference: Article 5.2a and Global Strategy 3.2.2 A national coordination mechanism (NCM) refers to the multisectoral institution established by the government to coordinate tobacco control within the country and with international entities such as the Convention Secretariat, and to oversee general governance-related issues for tobacco control. Such a mechanism should include key national and subnational actors and stakeholders who play meaningful direct or indirect roles in tobacco control. Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
	If yes to having a national multisectoral coordinating mechanism for tobacco control:		

Question number		Question	Instructions
	3.7.1.2	Is your national multisectoral coordinating mechanism for tobacco control financed? 1 Yes 2 No	Reference: Article 5.2a and Global Strategy 3.2.2 Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
	3.7.1.3	Is your national multisectoral coordinating mechanism for tobacco control functional? 1 Yes 2 No	Reference: Article 5.2a and Global Strategy 3.2.2 Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
	3.7.1.4	Please provide details on the national multisectoral coordinating mechanism for tobacco control (e.g. description of the national coordinating mechanism, frequency of meetings, membership of the national coordinating mechanism, the institution that houses or hosts its secretariat): <i>[Free-text answer]</i>	Reference: Article 5.2a and Global Strategy 3.2.2 Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
	3.7.1.5	Since your previous report, have you included civil society who are not affiliated with the tobacco industry in your national multisectoral coordinating mechanism for tobacco control? 1 Yes 2 No	Reference: Article 4.7 and Global Strategy 3.2.2 Note: You may refer to the WHO FCTC Toolkit for Parties to Implement Article 5.2(a) of the WHO FCTC for guidance on answering this section.
Bilateral agreement with WHO			
3.8.1.1		Is tobacco control or WHO FCTC implementation included in your current bilateral agreement (e.g. country cooperation strategy, bilateral cooperation strategy) with WHO? 1. Yes 2. No	Reference: Global Strategy 2.1.1

Question number		Question	Instructions
		3. No current bilateral agreement with WHO 4. Not applicable	
		Comprehensive national laws, legislation, or regulations on tobacco control	
3.9.1.1		Do you have a comprehensive set of national laws, legislation, or regulations that specifically address tobacco control? 1 Yes 2 No	Reference: Article 5.2b
	If yes to having a comprehensive set of national laws, legislation, or regulations that specifically address tobacco control:		
	3.9.1.2	What year was the most recent tobacco control law, legislation or regulation adopted or amended? <i>Year [drop-down].</i>	Reference: Article 5.2b
	3.9.1.3	Since your previous report, what is the status of your current comprehensive set of national legislation, laws or regulations on tobacco control? 1 Policy changes are being discussed 2 A draft law is being developed 3 Draft legislation has been developed and is currently being consulted on 4 Draft legislation is currently pending in the national legislature 5 There is a new, comprehensive law in place 6 Regulations are being developed 7 The law is being implemented 8 Other (please specify)	Reference: Article 5.2b
	3.9.2	Please upload a copy of your comprehensive set of national laws, legislation or regulations that specifically address tobacco control. 3.9.2.1 <i>File upload (allow multiple)</i> 3.9.2.2 <i>Webpage URL</i>	Reference: Article 5.2b For multiple files, please upload a compressed/Zip folder

Question number		Question	Instructions
	3.9.3	<p>Do any of the measures implemented at the national level covered under the following articles provide for a specific mechanism/infrastructure for enforcement?</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>3.9.3.1 Article 6</p> <p>3.9.3.2 Article 8</p> <p>3.9.3.3 Article 11</p> <p>3.9.3.4 Article 13</p> <p>3.9.3.5 Article 15</p> <p>3.9.3.6 Article 16</p> <p>3.9.3.7 Other (please specify)</p>	Reference: Article 5.2.b and Article 20.4.a
	If yes to having specific mechanisms/infrastructure for enforcement for any articles in the above question or other:		
	3.9.4.1	<p>Please share details on any of these specific mechanisms/infrastructures for enforcement:</p> <p><i>[Free-text answer]</i></p>	Reference: Article 5 and Article 20.4.a
		Availability and regulation of products	
3.10.1		<p>Are any of the following products legally available on your national market, whether for general sale or only under specific circumstances?</p> <p>Please choose the most appropriate response for each of the below: yes, they are available; no, they are not available; no, they are banned</p> <p>3.10.1.1 Smokeless tobacco products</p> <p>3.10.1.2 Waterpipe tobacco</p> <p>3.10.1.3 Electronic nicotine delivery systems (ENDS)</p> <p>3.10.1.4 Electronic non-nicotine delivery systems (ENNDS)</p> <p>3.10.1.5 Heated tobacco products (HTPs)</p> <p>3.10.1.6 Nicotine pouches</p>	Reference: Article 5; Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
3.10.2		Are these products regulated in your laws or regulations?	Reference: Article 5; Decision FCTC/COP6(9) and Decision FCTC/COP7(9)

Question number		Question	Instructions
		<p>Please choose the most appropriate response for each of the below: yes, they are regulated; yes, they are partially regulated; no, they are not regulated; not applicable</p> <p>3.10.2.1 Smokeless tobacco products</p> <p>3.10.2.2 Waterpipe tobacco</p> <p>3.10.2.3 Electronic nicotine delivery systems (ENDS)</p> <p>3.10.2.4 Electronic non-nicotine delivery systems (ENNDS)</p> <p>3.10.2.5 Heated tobacco products (HTPs)</p> <p>3.10.2.6 Nicotine pouches</p>	
	If yes to having any of the products regulated in laws and regulations:		
	3.10.3	<p>Please upload a copy of laws or regulations that regulate these products.</p> <p>3.10.3.1 <i>File upload (allow multiple for each yes above).</i></p> <p>3.10.3.2 <i>Webpage URL.</i></p>	<p>Reference: Article 5; Decision FCTC/COP6(9) and Decision FCTC/COP7(9)</p> <p>For multiple files, please upload a compressed/Zip folder</p>
Article 5.3: Protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry			
	Progress in implementation		
4.1.1.1		<p>Has there been any significant change in the implementation of Article 5.3 in your country since the submission of your previous report?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 5.3</p> <p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: raising awareness on tobacco industry tactics and the need to prevent interference by the tobacco industry with decision making; avoiding entering into any partnerships or voluntary agreements with the tobacco industry; limiting interaction of public officials with the tobacco industry, including in the form of a code of conduct; preventing granting of incentives,</p>

Question number		Question	Instructions
			privileges, benefits or preferential tax exemptions to the tobacco industry to establish or run their business, etc..
	If yes to any significant change in the implementation of Article 5.3:		
	4.1.1.2	<p>Please briefly describe any significant changes to the implementation of Article 5.3 since the submission of your previous report:</p> <p><i>[Free-text answer]</i></p>	Reference: Article 5.3
	4.1.1.3	<p>If any of the significant changes to the implementation of Article 5.3 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here:</p> <p><i>[Free-text answer]</i></p>	<p>Reference: Article 5.3</p> <p>‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.</p>
Measures under the Guidelines for implementation of Article 5.3			
4.2.1		<p>Have you raised awareness among the public in the past two years about the following?</p> <p>Please choose the most appropriate responses for each of the below: yes, no</p> <p>4.2.1.1 The addictive and harmful nature of tobacco products</p> <p>4.2.1.2 Tobacco industry interference with Parties’ tobacco control policies</p> <p>4.2.1.3 The tobacco industry’s practice of using individuals, front groups and affiliated organizations to act on their behalf (to further the interests of the tobacco industry)</p> <p>4.2.1.4 The true purpose and scope of activities described as socially responsible performed by the tobacco industry</p>	Reference: Article 5.3 and its Guidelines for implementation (Recommendations 1 and 6.1)

Question number	Question	Instructions
	<p>Please choose the most appropriate response for each of the below: yes, no</p> <p>4.2.13.1 Monitoring the tobacco industry, such as through a database on tobacco industry monitoring</p> <p>4.2.13.2 “Whistleblower” protection in code of conduct or staff regulations</p> <p>4.2.13.3 Complaint procedures such as an ombudsperson system</p> <p>4.2.13.4 Measures to establish criminal/civil (including administrative) liability in relation to the implementation of Article 5.3</p>	
	Implementation of measures under Article 5.3	
4.3.1.1	<p>Do the measures or actions referred to [in this Article 5.3 section] apply to the electronic nicotine delivery systems/electronic non-nicotine delivery systems (ENDS/ENNDS) industry?</p> <p>1 Yes, all measures</p> <p>2 Yes, some measures</p> <p>3 No</p>	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
	Article 6: Price and tax measures to reduce the demand for tobacco	
	Progress in implementation	
5.1.1.1	<p>Has there been any significant change in the implementation of Article 6 in your country since the submission of your previous report?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 6</p> <p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: implementing specific or mixed excise systems with a minimum specific tax floor; monitoring, increasing or adjusting tax rates on a regular basis; taxing all tobacco products in a comparable way; considering dedication of revenue – from the tobacco taxation income – to tobacco control programmes, etc..</p>

Question number		Question	Instructions
	If yes to any significant change in the implementation of Article 6:		
	5.1.1.2	Please briefly describe any significant changes in the implementation of Article 6 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 6
	5.1.1.3	If any of the significant changes in the implementation of Article 6 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 6 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
	Laws and regulations on Article 6		
5.2.1.1		Do you have tax policies and, where appropriate, price policies on tobacco products so as to contribute to the health objectives aimed at reducing tobacco consumption? 1 Yes 2 No	Reference: Article 6.2(a) and Global Strategy 1.1.2
5.2.2		Please upload a copy of laws and regulations relevant to Article 6. Where documents are voluminous, please upload only the applicable sections of laws and regulations relevant to Article 6. 5.2.2.1 <i>File upload (allow multiple).</i> 5.2.2.2 <i>Webpage URL.</i>	Reference: Article 6 and Article 20.4.a For multiple files, please upload a compressed/Zip folder
Article 8: Protection from exposure to tobacco smoke			
	Progress in implementation		
6.1.1.1		Has there been any significant change in the implementation of Article 8 in your country since the submission of your previous report?	Reference: Article 8 Significant changes are any measures that have been newly or recently

Question number		Question	Instructions
		1 Yes 2 No	<p>introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: smoke-free legislation in indoor workplaces, public transport, indoor public places and other public places; implementing awareness raising programmes in the course of developing smoke-free legislation and in the period leading up to implementation of the adopted law; placing duties and responsibilities on business owners, managers or other persons in charge of affected premises in relation to implementation of the relevant legislation; specifying fines and penalties for violations, including administrative sanctions; if you have established a telephone compliant hotline or a similar system to encourage the public to report violations of the law, etc..</p>
	If yes to any significant change in the implementation of Article 8:		
	6.1.1.2	Please briefly describe any significant changes in the implementation of Article 8 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 8
	6.1.1.3	If any of the significant changes in the implementation of Article 8 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 8 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
	Laws and regulations on Article 8		
6.2.1		Please upload a copy of laws and regulations relevant to Article 8. <i>6.2.1.1 File upload (allow multiple).</i> <i>6.2.1.2 Webpage URL.</i>	For multiple files, please upload a compressed/Zip folder
	Article 9: Regulation of the contents of tobacco products		
	Progress in implementation		
7.1.1.1		Has there been any significant change in the implementation of Article 9 in your country since the submission of your	Reference: Article 9

Question number		Question	Instructions
		<p>previous report?</p> <p>1 Yes</p> <p>2 No</p>	<p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: prohibiting or restricting ingredients in tobacco products; conducting visits at manufacturers' facilities to verify whether any prohibited or restricted ingredient is being used; requiring that cigarettes commercialized in your market comply with reduced ignition propensity (RIP) standards; monitoring compliance with and enforcing provisions on testing and measuring the contents and emissions of tobacco products, etc..</p>
	If yes to any significant change in the implementation of Article 9:		
	7.1.1.2	<p>Please briefly describe any significant changes in the implementation of Article 9 since the submission of your previous report:</p> <p><i>[Free-text answer]</i></p>	Reference: Article 9
	7.1.1.3	<p>If any of the significant changes in the implementation of Article 9 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here:</p> <p><i>[Free-text answer]</i></p>	'Subnational jurisdiction' may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Testing and measuring of contents and emissions of tobacco products	
7.2.1		<p>For each of the following tobacco products, do you require testing and measuring of emissions?</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>7.2.1.1 Smokeless tobacco</p> <p>7.2.1.2 Cigarettes</p> <p>7.2.1.3 Rolling tobacco for cigarettes</p> <p>7.2.1.4 Waterpipe tobacco</p>	Reference: Article 9

Question number		Question	Instructions
		7.2.1.5 Heated tobacco products 7.2.1.6 Other smoked tobacco products (please specify) 7.2.1.7 Other (please specify)	
	If yes to requiring the testing and measuring of the emissions of tobacco products (yes to any of the above):		
	7.2.1.10	Do you require the use of a laboratory approved by your government for testing and measuring the emissions of tobacco products? 1 Yes 2 No	Reference: Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 2.5)
7.2.2		For each of the following tobacco products, do you require the testing and measuring of contents? Please select the most appropriate response for each of the below: yes, no 7.2.2.1 Smokeless tobacco 7.2.2.2 Cigarettes 7.2.2.3 Rolling tobacco for cigarettes 7.2.2.4 Waterpipe tobacco 7.2.2.5 Heated tobacco products 7.2.2.6 Other smoked tobacco products (please specify) 7.2.2.7 Other (please specify)	Reference: Article 9
	If yes to requiring the testing and measuring of the contents of tobacco products (yes to any of the above):		
	7.2.2.10	Do you require the use of a laboratory approved by your government for testing and measuring the contents of tobacco products? 1 Yes 3 No	
	Regulation of the contents and emissions of tobacco products		
7.3.1		For each of the following tobacco products, do you regulate emissions (e.g. set maximum limits)?	Reference: Article 9

Question number		Question	Instructions
		<p>Please select the most appropriate response for each of the below: yes, no</p> <p>7.3.1.1 Smokeless tobacco</p> <p>7.3.1.2 Cigarettes</p> <p>7.3.1.3 Rolling tobacco for cigarettes</p> <p>7.3.1.4 Waterpipe tobacco</p> <p>7.3.1.5 Heated tobacco products</p> <p>7.3.1.6 Other smoked tobacco products (please specify)</p> <p>7.3.1.7 Other (please specify)</p>	
	If yes to regulating the emissions of tobacco products:		
	7.3.2	<p>For each of the following emissions, please indicate whether it is regulated in tobacco products:</p> <p>Please choose the most appropriate response for each of the below: yes, no, don't know</p> <p>7.3.2.1 Nicotine</p> <p>7.3.2.2 NNK, 4-(N-nitrosomethylamino)-1-(3-pyridyl)-1-butanone</p> <p>7.3.2.3 NNN, N'-nitrosonornicotine</p> <p>7.3.2.4 Acetaldehyde</p> <p>7.3.2.5 Acrolein</p> <p>7.3.2.6 Benzene</p> <p>7.3.2.7 Benzo[a]pyrene</p> <p>7.3.2.8 1,3-Butadiene</p> <p>7.3.2.9 Carbon monoxide</p> <p>7.3.2.10 Formaldehyde</p>	<p>Reference: Article 9 and Document FCTC/COP/6/14 (Table 3)</p> <p>FCTC COP6_14-en.pdf (who.int)</p>
7.3.3.1		<p>Do you regulate the contents of tobacco products?</p> <p>1 Yes</p> <p>2 No</p>	Reference: Article 9
	If yes to regulating the contents of tobacco products:		

Question number		Question	Instructions
	7.3.4	<p>Do you ban menthol in the following tobacco products?</p> <p>7.3.4.1 Smokeless tobacco 7.3.4.3 Cigarettes 7.3.4.5 Rolling tobacco for cigarettes 7.3.4.7 Waterpipe tobacco 7.3.4.9 Heated tobacco products 7.3.4.11 Other smoked tobacco products (please specify) 7.3.4.13 Other (please specify)</p> <p>Please choose the most appropriate response for each of the products listed above:</p> <p>1 Yes 2 No 3 Banned as a characterizing flavour only 4 This tobacco product is not legally sold on the national market 5 Other (please specify)</p>	<p>Reference: Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 3.1.2.2)</p> <p>Please select 'Yes' if you ban menthol as an additive at any level.</p> <p>Please select 'No' if you do not ban menthol in any form.</p> <p>Please select 'Banned as a characterizing flavour only' if menthol is still permitted to be added to the product, but not at a level that is noticeable or perceived by the consumer.</p>
	7.3.5	<p>Do you ban menthol analogues, precursors and derivatives in the following tobacco products?</p> <p>7.3.5.1 Smokeless tobacco 7.3.5.3 Cigarettes 7.3.5.5 Rolling tobacco for cigarettes 7.3.5.7 Waterpipe tobacco 7.3.5.9 Heated tobacco products 7.3.5.11 Other smoked tobacco products (please specify) 7.3.5.14 Other (please specify)</p> <p>Please choose the most appropriate response for each of the products listed above:</p>	<p>Reference Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 3.1.2.2)</p>

Question number		Question	Instructions
		1 Complete ban, covering all menthol analogues, precursors and derivatives 2 Partial ban, covering some but not all menthol analogues, precursors and derivatives (please provide details about the partial ban) 3 No ban 4 This tobacco product is not legally sold on the national market	
	7.3.6	<p>Do you ban other flavours or flavouring agents (other than menthol and menthol analogues, precursors and derivatives) in the following tobacco products?</p> <p>7.3.6.1 Smokeless tobacco 7.3.6.3 Cigarettes 7.3.6.5 Rolling tobacco for cigarettes 7.3.6.7 Waterpipe tobacco 7.3.6.9 Heated tobacco products 7.3.6.11 Other smoked tobacco products (please specify) 7.3.6.14 Other (please specify)</p> <p>Please choose the most appropriate response for each of the products listed above:</p> <p>1 Complete ban, covering all other flavours or flavouring agents 2 Partial ban, covering some but not all other flavours or flavouring agents, or ban on characterizing flavours only (please provide details about the partial ban) 3 No ban 4 This tobacco product is not legally sold on the national market</p>	<p>Reference: Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 3.1.2.2)</p> <p>Note: by “other flavours” we mean flavours other than menthol and menthol analogues, precursors and derivatives.</p>
	If yes, to a partial ban, covering some but not all other flavours or flavouring agents for any of the above tobacco products:		
	7.3.6.17	Please give details on the specific other flavours or flavouring agents that are banned in tobacco products:	Reference: Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 3.1.2.2)

Question number		Question	Instructions
		<i>[Free-text answer]</i>	
	7.3.7	<p>Do you ban other ingredients that may be used to increase the attractiveness/palatability or that may be used to mask tobacco harshness (e.g. sugars, sweeteners), in the following tobacco products?</p> <p>7.3.7.1 Smokeless tobacco 7.3.7.3 Cigarettes 7.3.7.5 Rolling tobacco for cigarettes 7.3.7.7 Waterpipe tobacco 7.3.7.9 Heated tobacco products 7.3.7.11 Other smoked tobacco products (please specify) 7.3.7.14 Other (please specify)</p> <p>Please choose the most appropriate response for each of the products listed above:</p> <p>1 Complete ban, covering all other ingredients that may be used to increase attractiveness/palatability or mask tobacco harshness 2 Partial ban, covering some but not all other ingredients that may be used to increase attractiveness/palatability or mask tobacco harshness (please provide details about the partial ban) 3 No ban 4 This tobacco product is not legally sold on the national market</p>	<p>Reference: Article 9 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 3.1.2.2)</p>

Question number		Question	Instructions
Article 10: Regulation of tobacco product disclosures			
		Progress in implementation	
8.1.1.1		Has there been any significant change in the implementation of Article 10 in your country since the submission of your previous report? 1 Yes 2 No	Reference: Article 10 Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports. Examples include: requiring that manufacturers and importers of tobacco products disclose to governmental authorities and to the public information on the emissions and contents of tobacco products, etc..
	If yes to any significant change in the implementation of Article 10:		
	8.1.1.2	Please briefly describe any significant changes in the implementation of Article 10 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 10
	8.1.1.3	If any of the significant changes in the implementation of Article 10 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 10 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Regulation of tobacco product disclosures	
8.2.1.1		Do you require manufacturers or importers of tobacco products to disclose information about the emissions of tobacco products to governmental authorities? 1 Yes 2 No	Reference: Article 10
	If yes to requiring emissions information disclosure to the government:		

Question number		Question	Instructions
	8.2.1.2	Do you disclose information about the toxic emissions in tobacco products to the public in a meaningful way (that is in a way that may be understood by the public)? 1 Yes 2 No	Reference: Article 10 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 2.7)
8.2.2.1		Do you require manufacturers or importers of tobacco products to disclose information about the contents of tobacco products to governmental authorities? 1 Yes 2 No	Reference: Article 10
	If yes to requiring contents information disclosure to the government:		
	8.2.2.2	Do you disclose the information reported about the toxic constituents in tobacco products to the public in a meaningful way (that is in a way that may be understood by the public)? 1 Yes 2 No	Reference: Article 10 and the Partial guidelines for implementation of Articles 9 and 10 (Recommendation 2.7)
Laws and regulations on Article 10			
8.3.1		Please upload a copy of laws and regulations relevant to Article 10. <i>8.3.1.1 File upload (allow multiple).</i> <i>8.3.1.2 Webpage URL.</i>	Reference: Article 10 and Article 20.4a For multiple files, please upload a compressed/Zip folder
ENDS/ENNDS: Regulation of the product contents and product disclosures			
Regulation of ENDS/ENNDS product contents and disclosures			
9.1.1		Do you require the emissions of ENDS/ENNDS to be tested and measured?	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)

Question number		Question	Instructions
		<p>Please choose the most appropriate response for each of the below: yes, no, not on national legal market</p> <p>9.1.1.1 ENDS 9.1.1.2 ENNDS</p>	
9.1.2		<p>Do you require the contents of ENDS/ENNDS to be tested and measured?</p> <p>Please choose the most appropriate response for each of the below: yes, no, not on national legal market</p> <p>9.1.2.1 ENDS 9.1.2.2 ENNDS</p>	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
9.1.3		<p>Do you require manufacturers or importers of ENDS/ENNDS products to disclose information about the emissions of ENDS/ENNDS products to governmental authorities?</p> <p>Please choose the most appropriate response for each of the below: yes, no, not on national legal market</p> <p>9.1.3.1 ENDS 9.1.3.2 ENNDS</p>	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
9.1.4		<p>Do you require manufacturers or importers of ENDS/ENNDS products to disclose information about the contents of ENDS/ENNDS products to governmental authorities?</p> <p>Please choose the most appropriate response for each of the below: yes, no, not on national legal market</p> <p>9.1.4.1 ENDS 9.1.4.2 ENNDS</p>	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
		Laws and regulations of contents, emissions and disclosures on ENDS/ENNDS

		Article 14: Demand reduction measures concerning tobacco dependence and cessation	
		Progress in implementation	
13.1.1.1		<p>Has there been any significant change in the implementation of Article 14 in your country since the submission of your previous report?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 14</p> <p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: conducted a national situation analysis on tobacco cessation and dependence treatment; maintain an information system on available tobacco cessation services; developed and implemented a national cessation</p>

Question number		Question	Instructions
			strategy; require that recording of tobacco use status is mandatory in medical notes; integrated brief advice in the structures of your health-care system; used innovative approaches to promote tobacco cessation; monitoring and evaluating tobacco cessation and dependence treatment strategies and programmes, etc..
	If yes to any significant change in the implementation of Article 14:		
	13.1.1.2	Please briefly describe any significant changes in the implementation of Article 14 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 14
	13.1.1.3	If any of the significant changes in the implementation of Article 14 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 14 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Telephone quitline	
	13.2.1.1	Is there a telephone quitline number in your country? 1 Yes 2 No	Reference: Article 14.1 and its Guidelines for implementation (on quitlines)
	If yes to having a telephone quitline number:		
	13.2.2	Does the telephone quitline number have the features below? Please choose the most appropriate response for each of the below: yes, no 13.2.2.1 National coverage 13.2.2.2 Free to call or “toll-free” 13.2.2.3 Callers speak to a live person 13.2.2.4 Proactive quit line, makes planned calls to people who use tobacco	Reference: Article 14.1 and its Guidelines for implementation (on quitlines)

Question number		Question	Instructions
		Novel approaches to deliver behavioural support	
13.3.1		<p>Are any of the novel approaches below used in your country to deliver behavioural support to quit tobacco use?</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>13.3.1.1 Internet based behavioural support 13.3.1.2 Mobile phone text messaging behavioural support 13.3.1.3 Smartphone applications 13.3.1.4 Artificial Intelligence (AI) technology based behavioural support 13.3.1.5 Other (please specify)</p>	<p>Reference: Article 14.1 and its Guidelines for implementation (on novel approaches)</p> <p>Note: “Behavioural support”: support, other than medications, aimed at helping people stop their tobacco use. It can include all cessation assistance that imparts knowledge about tobacco use and quitting, provides support and teaches skills and strategies for changing behaviour.</p>
		Actions that establish basic infrastructure for cessation	
13.4.1		<p>To what extent, if at all, is training on tobacco cessation included in the curricula of each of the following health professional training schools?</p> <p>Please choose the most appropriate response for each of the below: all or majority of schools, most schools, some schools, no schools</p> <p>13.4.1.1 Medical 13.4.1.2 Dental 13.4.1.3 Nursing 13.4.1.4 Pharmacy 13.4.1.5 Other (please specify)</p>	<p>Reference: Article 14.2.c and its Guidelines for implementation (on training of health-care workers)</p>
13.4.2.1		<p>Is it mandatory to record tobacco use in all medical notes?</p> <p>1 All medical notes 2 Some medical notes 3 None</p>	<p>Reference: Article 14.2.a and its Guidelines for implementation (on integrating brief advice into health-care systems)</p>

Question number		Question	Instructions
13.4.2.2		Is brief advice to stop using tobacco provided in health clinics or other primary care facilities? 1 Yes, in most 2 Yes, in some 3 None	Reference: Article 14.2.a and its Guidelines for implementation (on integrating brief advice into health-care systems) Note: “Brief advice” – advice to stop using tobacco, usually taking only a few minutes, given to all tobacco users, usually during the course of a routine consultation or interaction.
13.4.3		Is tobacco cessation support offered in the following places in your country? Please choose the most appropriate response for each of the below: yes, in most; yes, in some; none 13.4.3.1 Health clinics or other primary care facilities 13.4.3.2 Hospitals 13.4.3.3 In the community 13.4.3.4 Offices of other healthcare professionals	Reference: Article 14.2.b and its Guidelines for implementation (on cessation support)
	If yes to tobacco cessation support offered in the places above (answer for each place where it is offered):		
	13.4.4	Is the tobacco cessation support offered in the following places covered by the national/federal health insurance or the national health service in your country? Please choose the most appropriate response for each of the below: Fully, partially, no 13.4.4.1 Health clinics or other primary care facilities 13.4.4.2 Hospitals 13.4.4.3 In the community 13.4.4.4 Offices of other healthcare professionals	Reference: Article 14.2.b and its Guidelines for implementation (on cessation support)
		Tobacco dependence treatment	
13.5.1		Can the following pharmaceutical products for the treatment of tobacco dependence be legally purchased in your country? Please choose the most appropriate response for each of the	Reference: Article 14.2.d

Question number		Question	Instructions
		below: yes, no 13.5.1.1 Nicotine replacement therapy (NRT, e.g. patch, gum, lozenge, spray or inhaler) 13.5.1.2 Bupropion 13.5.1.3 Varenicline 13.5.1.4 Cytisine 13.5.1.5 Other (please specify)	
	If nicotine replacement therapy (NRT, e.g. patch, gum, lozenge, spray or inhaler) is legally available:		
	13.5.2	Where and how can nicotine replacement therapy (NRT, e.g. patch, gum, lozenge, spray or inhaler) legally be purchased? Please choose the most appropriate response for each of the below: yes, no 13.5.2.1 Pharmacy with a prescription 13.5.2.2 Pharmacy without a prescription 13.5.2.3 General store or shop (e.g. supermarket, corner shop) 13.5.2.4 On the Internet 13.5.2.5 Other	Reference: Article 14.2.d
	13.5.2.6	Does the national/federal health insurance or the national health service cover the cost of nicotine replacement therapy (NRT, e.g. patch, gum, lozenge, spray, or inhaler)? 1 Fully 2 Partially 3 No	Reference: Article 14.2.d
	If bupropion is legally available:		
	13.5.3	Where and how can bupropion legally be purchased? Please choose the most appropriate response for each of the below: yes, no	Reference: Article 14.2.d

Question number		Question	Instructions
		13.5.3.1 Pharmacy with a prescription 13.5.3.2 Pharmacy without a prescription 13.5.3.3 General store or shop (e.g. supermarket, corner shop) 13.5.3.4 On the Internet 13.5.3.5 Other	
	13.5.3.6	Does the national/federal health insurance or the national health service cover the cost of bupropion? 1 Fully 2 Partially 3 No	Reference: Article 14.2.d
	If varenicline is legally available:		
	13.5.4	Where and how can varenicline legally be purchased? Please choose the most appropriate response for each of the below: yes, no 13.5.4.1 Pharmacy with a prescription 13.5.4.2 Pharmacy without a prescription 13.5.4.3 General store or shop (e.g. supermarket, corner shop) 13.5.4.4 On the Internet 13.5.4.5 Other	Reference: Article 14.2.d
	13.5.4.6	Does the national/federal health insurance or the national health service cover the cost of varenicline? 1 Fully 2 Partially 3 No	Reference: Article 14.2.d
	If cytisine is legally available:		
	13.5.5	Where and how can cytisine legally be purchased?	Reference: Article 14.2.d

Question number		Question	Instructions
		<p>Please choose the most appropriate response for each of the below: yes/no</p> <p>13.5.5.1 Pharmacy with a prescription 13.5.5.2 Pharmacy without a prescription 13.5.5.3 General store or shop (e.g. supermarket, corner shop) 13.5.5.4 On the Internet 13.5.5.5 Other</p>	
	13.5.5.6	<p>Does the national/federal health insurance or the national health service cover the cost of cytisine?</p> <p>1 Fully 2 Partially 3 No</p>	Reference: Article 14.2.d
13.5.6		<p>Are any of the following tobacco cessation medicines on the essential drugs list in your country?</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>13.5.6.1 Nicotine replacement therapy (NRT, e.g. patch, gum, lozenge, spray or inhaler) 13.5.6.2 Bupropion 13.5.6.3 Varenicline 13.5.6.4 Cytisine 13.5.6.5 Other (please specify)</p>	Reference: Article 14.2.d
Establishing system components			
13.6.1.1		<p>Has your country developed and disseminated tobacco cessation clinical treatment guidelines?</p> <p>1 Yes 2 No</p>	<p>Reference: Article 14.1 and its Guidelines for implementation (on development of national treatment guidelines)</p> <p>Note: «Treatment guidelines» are systematically developed statements to help service managers, practitioners and patients to make decisions about appropriate treatment for tobacco dependence and cessation. They are aimed</p>

Question number		Question	Instructions
			principally at those who will develop, manage and provide cessation support to tobacco users.
	If yes to having tobacco cessation clinical treatment guidelines:		
	13.6.2	Please upload a copy of the tobacco cessation clinical treatment guidelines. 13.6.2.1 <i>File upload (allow multiple).</i> 13.6.2.2 <i>Webpage URL.</i>	Reference: 14.1 and its Guidelines for the implementation (on development of national treatment guidelines) For multiple files, please upload a compressed/Zip folder
13.6.3.1		Has your country developed and disseminated a national tobacco cessation strategy? 1 Yes 2 No	Reference: Article 14.1 and its Guidelines for implementation (on development of national cessation strategy) Note: National cessation strategies – to promote tobacco cessation and provide tobacco dependence treatment, aimed principally at those responsible for funding and implementing policies and programmes.
	If yes to having a national tobacco cessation strategy:		
	13.6.4	Please upload a copy of the national tobacco cessation strategy. 13.6.4.1 <i>File upload (allow multiple).</i> 13.6.4.2 <i>Webpage URL:</i>	Reference: Article 14.1 and its Guidelines for implementation (on development of national cessation strategy) For multiple files, please upload a compressed/Zip folder
	13.6.5.1	Does your national cessation strategy include cessation of ENDS use? 1 Yes 2 No	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
Article 15: Illicit trade in tobacco products; Article 6.2b			
Progress in implementation			
14.1.1.1		Has there been any significant change in the implementation of Article 15 in your country since the submission of your previous report?	Reference: Article 15 Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.

Question number		Question	Instructions
		1. Yes 2. No	Examples include: ensuring that all unit packets and packages of tobacco products and any outside packaging of such products are marked; monitoring and collecting data on cross-border trade in tobacco products; enacting legislation, with appropriate penalties and remedies, against illicit trade; taking appropriate steps to ensure that all confiscated manufacturing equipment, counterfeit and contraband cigarettes and other tobacco products are destroyed, using environmentally-friendly methods, etc..
	If yes to any significant change in the implementation of Article 15:		
	14.1.1.2	Please briefly describe any significant changes in the implementation of Article 15 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 15
	14.1.1.3	If any of the significant changes in the implementation of Article 15 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 15 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
	Marking of units of tobacco packaging		
14.2.1.1		Do you require the application of any markings to units of tobacco packaging, including any outside packaging? 1 Yes 2 No	Reference: Article 15.2 Markings refer to tax stamps, fiscal marks, banderols or any other type of marking. This question aligns with the Reporting Instrument of the Protocol in reference to Article 8 (Tracking and tracing) of the Protocol.
	If yes to requiring the application of any markings to units of tobacco packaging:		
	14.2.2	Do the markings that you require to be applied to units of tobacco packaging, including any outside packaging:	Reference: Article 15.2 Markings refer to tax stamps, fiscal marks, banderols or any other type of

Question number		Question	Instructions
		<p>Please choose the most appropriate response for each: yes, no</p> <p>14.2.2.1 Assist in determining the origin of the product?</p> <p>14.2.2.2 Assist in determining whether the product is legally for sale on the domestic market?</p> <p>14.2.2.3 For units sold on the domestic market, carry the statement: “Sales only allowed in ...” or carry any other effective marking indicating the final destination of the product?</p> <p>14.2.2.4 Carry markings unique to each unit of tobacco packaging (e.g. each individual pack, carton, mastercase, or pallet) to allow the movement of the tobacco product to be traced and monitored through the supply chain?</p> <p>14.2.2.5 Assist in determining the point of diversion and monitor the movement of the product?</p>	marking.
	14.2.3	<p>Do you require that markings applied to each unit of tobacco packaging be:</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>14.2.3.1 In legible form?</p> <p>14.2.3.2 In the principal language(s) of the country?</p>	Reference: Article 15.3
Collection and exchange of information on cross-border trade			
14.3.1.1		<p>Do you require customs, tax and other authorities to <u>collect and monitor</u> data on cross-border trade in tobacco products, including illicit trade?</p> <p>1 Yes</p> <p>2 No</p>	Reference: Article 15.4.a
14.3.1.2		<p>Do your customs, tax and other authorities <u>coordinate and exchange information</u> on cross-border trade in tobacco products, including illicit trade with authorities from other</p>	Reference: Article 15.4.a

Question number		Question	Instructions
		countries? 1 Yes 2 No	
		Legislation to establish unlawful conduct	
14.4.1.1		Do you have legislation to establish conduct such as the non-payment of taxes, smuggling and application of false markings on tobacco products as unlawful conduct? 1 Yes 2 No	Reference: Article 15.4.a
		Destruction or disposal	
14.5.1.1		Do you destroy or dispose of all confiscated tobacco, tobacco products and manufacturing equipment in your country? 3 Yes 4 No	Reference: Article 15.4.c
	If yes to destroying/disposing:		
	14.5.1.2	Do you destroy or dispose of all confiscated tobacco, tobacco products and manufacturing equipment in your country using environmentally friendly methods? 1 Yes 2 No	Reference: Article 15.4.c
		Control of storage and distribution	
14.6.1.1		Do you have measures to monitor, document and control the storage and distribution of tobacco products held or moving under suspension of taxes or duties? 1 Yes	Reference: Article 15.4.d

Question number		Question	Instructions
		2 No	
		Confiscation of proceeds from illicit trade	
14.7.1.1		Do you have measures to enable authorities to confiscate proceeds derived from illicit trade in tobacco products? 1 Yes 2 No	Reference: Article 15.4.e
		Cooperation and exchange of information among national authorities	
14.8.1.1		Do your relevant national authorities cooperate and exchange information with each other to combat illicit trade in tobacco products? 1 Yes 2 No	Reference: Article 15.6
14.8.1.2		Do your relevant national authorities cooperate with other WHO FCTC Parties and relevant regional and international intergovernmental organizations to combat illicit trade in tobacco products? 1 Yes 2 No	Reference Article 15.6
		Licensing system	
14.9.1		Do you require a licensing or equivalent approval system for any of the following activities? Please select the most appropriate response for each of the below: yes, no 14.9.1.1 Manufacture of tobacco products 14.9.1.2 Import of tobacco products 14.9.1.3 Export of tobacco products	Reference: Article 15.7

Question number		Question	Instructions
		14.9.1.4 Retailing of tobacco products 14.9.1.5 Wholesaling, brokering, warehousing and distribution of tobacco products 14.9.1.6 Growing of tobacco, except for traditional small-scale growers, farmers and producers 14.9.1.7 Transporting commercial quantities of tobacco products	
		Duty-free sales	
14.10.1.1		Are sales to international travellers of duty-free tobacco products allowed in stores in your country? 1 Yes 2 No	Reference: Article 6.2.b
		Estimated percentage of illicit products on the market	
14.11.1.1		Do you have any information (from sources not affiliated with the tobacco industry) about the estimated percentage of illicit tobacco products on your national tobacco market? 1 Yes 2 No	Reference: Article 15.4.a
	If yes to having information on the percentage of illicit tobacco products on the market:		
	14.11.2	What percentage of the national tobacco market are illicit tobacco products estimated to constitute for the most recent available year? A. Number: (%) B. Year: <i>drop-down</i> C. Sources: <i>free-text answer</i> D. File uploads: <i>source report if available</i> E. Webpage URL: Note: Allow multiple entry rows for multiple years and sources.	Reference: Article 15.4.a For multiple files, please upload a compressed/Zip folder

Question number		Question	Instructions
14.11.3.1		<p>Do you have any information (from sources not affiliated with commercial and other vested interests related to ENDS/ENNDS, including the tobacco industry and affiliated entities) about the estimated percentage of illicit ENDS/ENNDS on your national ENDS/ENNDS market?</p> <p>1 Yes 2 No 3 Not applicable, ENDS/ENNDS are not on the national legal market</p>	Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)
	If yes to having information on the ENDS/ENNDS illicit market:		
	14.11.4	<p>What percentage of the national ENDS/ENNDS market are illicit ENDS/ENNDS products estimated to constitute for most recent available year?</p> <p>A. Number: (%) B. Year: <i>drop-down</i> C. Sources: <i>free-text answer</i> D. File uploads: <i>source report if available</i> E. Webpage URL:</p> <p>Note: Allow multiple entry rows for multiple years and sources.</p>	<p>Reference: Decision FCTC/COP6(9) and Decision FCTC/COP7(9)</p> <p>For multiple files, please upload a compressed/Zip folder</p>
	Data on seizures of tobacco or nicotine products		
14.12.1.1		<p>Are you a Party to the Protocol?</p> <p>1 Yes 2 No</p>	
	If no to being a Party to the Protocol:		
	14.12.2	<p>Do you have aggregate data on seizures of tobacco or nicotine products from the past two years?</p> <ul style="list-style-type: none"> Quantity of seizures (e.g. units, kilograms) 	Reference: Article 15.4a; Decision FCTC/COP6(9) and Decision FCTC/COP7(9)

Question number		Question	Instructions
		<ul style="list-style-type: none"> Value of seizures Value of taxes evaded <p>The above will be collected for the product categories below:</p> <ul style="list-style-type: none"> Unmanufactured tobacco (tobacco leaves) Cigarettes and other smoked tobacco products Smokeless tobacco products Tobacco manufacturing equipment ENDS and ENNDS Other (e.g. devices, other novel tobacco and nicotine products, e-liquids) <p>Note: To be collected in a data entry table.</p>	
		Laws and regulations on Article 15	
14.13.1		<p>Please upload a copy of laws and regulations relevant to Article 15.</p> <p><i>14.13.1.1 File upload (allow multiple).</i></p> <p><i>14.13.1.2 Weblinks URL.</i></p>	<p>Reference: Article 14 and Article 20.4.a</p> <p>For multiple files, please upload a compressed/Zip folder</p>
Article 16: Sales to and by minors			
		Progress in implementation	
15.1.1.1		<p>Has there been any significant change in the implementation of Article 16 in your country since the submission of your previous report?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 16</p> <p>Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports.</p> <p>Examples include: prohibiting the sales of tobacco products to persons under the age set by domestic law, national law or eighteen; requiring sellers to place</p>

Question number		Question	Instructions
			an indicator inside their point of sale about the prohibition of tobacco sales to minors; banning the sale of tobacco products in any manner by which they are directly accessible, such as store shelves; prohibiting the manufacture and sale of sweets, snacks, toys or any other objects in the form of tobacco products which appeal to minors; ensuring tobacco vending machines are not assessable to minors; prohibiting the distribution of free tobacco products; prohibiting the sale of cigarettes individually or in small packets.
	If yes to any significant change in the implementation of Article 16:		
	15.1.1.2	Please briefly describe any significant changes in the implementation of Article 16 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 16
	15.1.1.3	If any of the significant changes in the implementation of Article 16 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 16 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Sales of tobacco products to minors	
	15.2.1.1	Do you prohibit the sales of tobacco products to minors in your country? 1 Yes 2 No	Reference: Article 16.1
	If tobacco sales to minors are prohibited:		
	15.2.1.2	What is the minimum age at which a person may purchase tobacco products? Full legal age: <i>[drop-down menu, no legal age, 0–99]</i> .	Reference: Article 16.1
	15.2.1.3	Do you require that all sellers of tobacco products place a clear and prominent indicator inside their point of sale about the full legal age for purchasing tobacco products?	Reference: Article 16.1.a

Question number		Question	Instructions						
		<div>1 Yes</div> <div>2 No</div>

Question number		Question	Instructions
			tobacco industry strategies that promote tobacco farming and the manufacture of tobacco products; mainstreamed alternative crops/livelihood options into government rural development programmes; set up information and support centres for alternative livelihoods; ensured social, health and environmental protection in tobacco-growing regions, etc..
	If yes to any significant change in the implementation of Article 17:		
	16.1.1.2	Please briefly describe any significant changes in the implementation of Article 17 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 17
	16.1.1.3	If any of the significant changes in the implementation of Article 17 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 17 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Activities in the tobacco supply chain	
16.2.1		Are any of the following activities undertaken in your country? Please choose the most appropriate response for each of the below: yes, no 16.2.1.1 Tobacco growing 16.2.1.2 Tobacco processing 16.2.1.3 Tobacco product manufacturing 16.2.1.4 Small-scale or home industry manufacturing of tobacco products (e.g. bidis, hand-rolled tobacco, etc.)	Reference: Article 17
	If there is tobacco growing in the country:		
	16.2.2.1	Have you implemented programmes or measures in your country to promote economically viable and sustainable	Reference: Article 17

Question number		Question	Instructions
		alternatives to tobacco growing? 1 Yes 2 No	
	If there are programmes or measures to promote economically viable and sustainable alternatives to tobacco growing:		
	16.2.3	What type(s) of mechanisms to support alternative livelihoods to tobacco growing have you implemented? Please choose the most appropriate response for each of the below: yes, no 16.2.3.1 Rural credit 16.2.3.2 Food acquisition for food security programmes 16.2.3.3 Family farming price assurance 16.2.3.4 Technical assistance and rural extension 16.2.3.5 Agrarian reform and credit 16.2.3.6 Social and economic organization 16.2.3.7 Infrastructure and services 16.2.3.8 Crop and income insurance 16.2.3.9 Cooperatives 16.2.3.10 Promotion activities 16.2.3.11 Other mechanisms to support alternative livelihoods (please specify)	Reference: Article 17 and the Policy options and recommendations for Articles 17 and 18 (Recommendation 4.7) Note: See section 4.7 of the Policy options and recommendations articles 17 and 18. ‘Livelihoods’ refers to the process in which rural families build a diversified portfolio of activities and abilities of social support in order to survive and improve living conditions.
	16.2.4	Please give or upload any information you may have about mechanisms to support alternative livelihoods that you have implemented (e.g. types of initiative, brief descriptions of initiatives, number of persons covered): <i>16.2.4.1 [Free-text answer]</i> <i>16.2.4.2 File upload (allow multiple).</i> <i>16.2.4.3 Webpage URL.</i>	Reference: Article 17 For multiple files, please upload a compressed/Zip folder
	16.2.5.1	Are tobacco growers provided with government subsidies (or public funds) to support tobacco growing/cultivation?	Reference: Article 17

Question number		Question	Instructions
		1 Yes 2 No	
	If there is tobacco growing, tobacco processing, tobacco manufacturing or small-scale or home industry manufacturing of tobacco products in the country:		
	16.2.6.1	Have you implemented programmes or measures in your country to promote economically viable and sustainable alternatives for tobacco workers? 1 Yes 2 No	Reference: Article 17 Note: “A tobacco worker is a person working on a tobacco farm, in tobacco processing, or tobacco or bidi manufacturing, with or without a contractual arrangement based on the labour laws of the country in which s/he is employed”.
		Alternatives for tobacco individual sellers	
	16.3.1.1	Have you implemented programmes or measures in your country to promote economically viable and sustainable alternatives for tobacco individual sellers? 1 Yes 2 No	Reference: Article 17
		Article 18: Protection of the environment and the health of persons	
		Progress in implementation	
	17.1.1.1	Has there been any significant change in the implementation of Article 18 in your country since the submission of your previous report? 1 Yes 2 No	Reference: Article 18 Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports. Examples include: implementing programmes or that take into consideration the protection of the environment and/or health of persons in relation to the environment in tobacco cultivation, tobacco manufacturing, and/or tobacco consumption; conducted studies or collected data on health/environmental harm related to tobacco cultivation and manufacturing; undertaken initiatives to monitor deforestation, and soil and water contamination with pesticides in tobacco-growing areas, etc..

Question number		Question	Instructions
	If yes to any significant change in the implementation of Article 18:		
	17.1.1.2	<p>Please briefly describe any significant changes in the implementation of Article 18 since the submission of your previous report:</p> <p>[Free-text answer]</p>	Reference: Article 18
	17.1.1.3	<p>If any of the significant changes in the implementation of Article 18 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here:</p> <p>[Free-text answer]</p>	Reference: Article 18 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
		Protection of the environment and the health of persons in respect of tobacco cultivation	
	If there is tobacco processing and/or growing in the country:		
17.2.1.1		<p>Have you implemented programmes or measures in your country that take into consideration the protection of the environment in tobacco cultivation (e.g. measures to address soil degradation due to use of pesticides)?</p> <p>1 Yes 2 No</p>	Reference: Article 18
17.2.1.2		<p>Have you implemented programmes or measures in your country that take into consideration the protection of the health of persons in relation to the environment in tobacco cultivation (e.g. measures to address green tobacco sickness)?</p> <p>1 Yes 2 No</p>	Reference: Article 18 ‘Green tobacco sickness’ is a nicotine poisoning that results from the absorption of nicotine through the skin from contact with tobacco plants during cultivation and harvesting. Nicotine is a water and lipid-soluble alkaloid that dissolves in any water on the leaves of the green tobacco plant. (Policy options and recommendations, Articles 17 and 18 of the WHO FCTC)
		Protection of the environment and the health of persons in respect of tobacco manufacture	
	If there is tobacco manufacturing and/or small-scale or home industry manufacturing of tobacco products in the country (under questions 16.2.1.3 and 16.2.1.4):		

Question number		Question	Instructions
17.3.1.1		<p>Have you implemented programmes or measures in your country that take into consideration the protection of the environment in tobacco manufacturing (e.g. measures to address carbon emissions)?</p> <p>1 Yes 2 No</p>	Reference: Article 18
17.3.1.2		<p>Have you implemented programmes or measures in your country that take into consideration the protection of the health of persons in relation to the environment in tobacco manufacturing (e.g. measures to address health effects of exposure to tobacco dust)?</p> <p>1 Yes 2 No</p>	Reference: Article 18
Protection of the environment and human health in relation to tobacco consumption			
	All respondents		
17.4.1.1		<p>Have you implemented programmes or measures in your country that take into consideration the protection of the environment and human health in relation to tobacco consumption (e.g. plastics pollution)?</p> <p>1 Yes 2 No</p>	Reference: Decision FCTC/COP8(19)
Research initiatives			
17.5.1		<p>Have you conducted studies or collected data on the following?</p> <p>Please choose the most appropriate response for each of the below: yes, no, not applicable</p> <p>17.5.1.1 Prevalence of green tobacco sickness</p>	Reference: Article 18

Question number		Question	Instructions
		17.5.1.2 Social impact of tobacco growing (e.g. child labour, conditions of work involved in tobacco growing and production) 17.5.1.3 Extent to which deforestation or forest degradation is due to tobacco cultivation 17.5.1.4 Tobacco product waste 17.5.1.5 Other health/environmental harm related to tobacco cultivation and manufacturing (please specify)	
	If yes to conducting and studies or collecting data on any of the above:		
	17.5.2	Please upload any available documents on the studies or data collected. <i>17.5.2.1 File upload for each item selected (allow multiple).</i> <i>17.5.2.2 Webpage URL.</i>	Reference: Article 18 For multiple files, please upload a compressed/Zip folder
Article 19: Liability			
Progress in implementation			
18.1.1.1		Has there been any significant change in the implementation of Article 19 in your country since the submission of your previous report? 1 Yes 2 No	Reference: Article 19 Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports. Examples include: taking legislative actions to deal with criminal and civil liability; cooperating with other Parties in exchanging information, etc..
	If yes to any significant change in the implementation of Article 19:		
	18.1.1.2	Please briefly describe any significant changes in the implementation of Article 19 since the submission of your previous report: <i>[Free-text answer]</i>	Reference: Article 19 In subsequent questions you will be asked to provide details on any criminal and/or civil liability action taken, including for compensation where appropriate, against the tobacco industry and any action taken against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use since the submission of your previous report.

Question number		Question	Instructions
	18.1.1.3	<p>If any of the significant changes in the implementation of Article 19 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here:</p> <p><i>[Free-text answer]</i></p>	<p>Reference: Article 19</p> <p>‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.</p>
Criminal and civil liability			
18.2.1.1		<p>Do you have measures to establish the criminal liability of individuals or corporate entities for any violations relevant to tobacco control?</p> <p>1 Yes 2 No</p>	Reference: Article 19.1
	If yes to having measures to establish the criminal liability of individuals or corporate entities for any violations relevant to tobacco control:		
	18.2.2	<p>Please indicate which of the following measures apply to establishing the criminal liability of individuals or corporate entities for any violations relevant to tobacco control:</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>18.2.2.1 Tobacco control legislation containing measures for violations of such law 18.2.2.2 Separate criminal liability provisions in relation to tobacco control (arising from law other than the tobacco control legislation)</p>	Reference: Article 19.1
18.2.3.1		<p>Do you have measures or remedies to establish the civil liability of the tobacco industry?</p> <p>1 Yes 2 No 3 Other (please specify)</p>	<p>Reference: Article 19.1</p> <p>Note: You may refer to the WHO FCTC Article 19 Civil Liability Toolkit for guidance on answering this section.</p>

Question number		Question	Instructions
	If yes to having measures or remedies to establish the civil liability of the tobacco industry:		
	18.2.4	<p>Please indicate which of the following measures or remedies apply to establishing the civil liability of the tobacco industry:</p> <p>Please choose the most appropriate response for each of the below: yes, no</p> <p>18.2.4.1 Legislation that allows recovery of tobacco-related health care costs</p> <p>18.2.4.2 Class action procedures for tobacco-related claims</p> <p>18.2.4.3 Liability standards that could apply to the manufacture, marketing and supply of tobacco products</p> <p>18.2.4.4 Tobacco control legislation or general law that applies to the manufacture, supply, and marketing of tobacco products</p>	<p>Reference: Article 19.1</p> <p>Note: You may refer to the WHO FCTC Article 19 Civil Liability Toolkit for guidance on answering this section.</p>
	If yes to having tobacco control legislation or general law that applies to the manufacture, supply, and marketing of tobacco products that apply to establishing civil liability of the tobacco industry:		
	18.2.5.1	<p>Does your tobacco control legislation or your general law that applies to the manufacture, supply, and marketing of tobacco products include enforcement mechanisms such as fines and injunctions against the tobacco industry for violations of the law?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 19.1</p> <p>Note: You may refer to the WHO FCTC Article 19 Civil Liability Toolkit for guidance on answering this section.</p> <p>If you apply fines and injunctions or other enforcement mechanisms, please respond “yes”.</p>
	18.2.5.2	<p>Does your tobacco control legislation or your general law that applies to the manufacture, supply, and marketing of tobacco products allow NGOs or the public to support [the enforcement] of tobacco control laws or relevant general laws (e.g. report violations directly via an official mechanism)?</p> <p>1 Yes</p> <p>2 No</p>	<p>Reference: Article 19.1</p> <p>Note: You may refer to the WHO FCTC Article 19 Civil Liability Toolkit for guidance on answering this section.</p>

Question number		Question	Instructions
18.2.6.1		<p>Since the submission of your previous report, has there been any criminal and/or civil liability action taken, including for compensation where appropriate, against the tobacco industry?</p> <p>1 Yes 2 No</p>	Reference: Article 19.1
	If yes to any criminal and/or civil liability action taken against the tobacco industry since the submission of your previous report:		
	18.2.7	<p>Please give details on any criminal and/or civil liability action taken, including for compensation where appropriate, against the tobacco industry since the submission of your previous report:</p> <p><i>18.2.7.1 [Free-text answer]</i> <i>18.2.7.2 File upload (allow multiple).</i> <i>18.2.7.3 Webpage URL.</i></p>	<p>Reference: Article 19.1</p> <p>For multiple files, please upload a compressed/Zip folder</p>
18.2.8.1		<p>Since the submission of your previous report, has any legislative, executive, administrative and/or other action been taken against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use?</p> <p>1 Yes 2 No</p>	Reference: Article 19.1
	If yes to any legislative, executive, administrative and/or other action taken against the tobacco industry since the submission of your previous report:		
	18.2.9	<p>Please give details on any legislative, executive, administrative and/or other action taken against the tobacco industry for full or partial reimbursement of medical, social and other relevant costs related to tobacco use since the submission of your previous report:</p> <p><i>18.2.9.1 [Free-text answer]</i></p>	<p>Reference: Article 19.1</p> <p>For multiple files, please upload a compressed/Zip folder</p>

Question number		Question	Instructions
		18.2.9.2 File upload (allow multiple). 18.2.9.3 Webpage URL.	
Assistance in legal proceedings relating to civil and criminal liability			
18.3.1.1		In the past two years, have you provided or made assistance available to other Parties in legal proceedings relating to the civil and criminal liability of the tobacco industry? 1 Yes 2 No	Reference: Article 19.3
Laws and regulations on Article 19			
18.4.1		Please provide copies of legislation, regulations, policies or any other instruments relevant to your answers in this Section (Article 19) and indicate the relevant provisions or sections in the space below: 18.4.1.1 [Free-text answer] 18.4.1.2 File upload (allow multiple). 18.4.1.3 Webpage URL.	Reference: Article 19 and Article 20.4.a For multiple files, please upload a compressed/Zip folder
Article 20: Research, surveillance and exchange of information			
Progress in implementation			
19.1.1.1		Has there been any significant change in the implementation of Article 20 in your country since the submission of your previous report? 1 Yes 2 No	Reference: Article 20 Significant changes are any measures that have been newly or recently introduced that were not referred to in any previous implementation reports. Examples include: developing, promoting or coordinating research programmes in the field of tobacco control; establishing programmes for tobacco surveillance; facilitating the exchange of information, etc..
	If yes to any significant change in the implementation of Article 20:		
	19.1.1.2	Please briefly describe any significant changes in the	Reference: Article 20

Question number		Question	Instructions
		implementation of Article 20 since the submission of your previous report: <i>[Free-text answer]</i>	
	19.1.1.3	If any of the significant changes in the implementation of Article 20 have occurred at the level of subnational jurisdictions since the submission of your previous report, please provide details here: <i>[Free-text answer]</i>	Reference: Article 20 ‘Subnational jurisdiction’ may be any jurisdictional area below the national level, which has the power to enact and implement law.
National system for monitoring or epidemiological surveillance			
19.2.1		Have you established or do you provide support for or maintain a national system for monitoring or epidemiological surveillance of: Please choose the most appropriate response for each of the below: yes, no 19.2.1.1 Patterns of tobacco consumption 19.2.1.2 Determinants of tobacco consumption 19.2.1.3 Health consequences of tobacco consumption 19.2.1.4 Patterns of exposure to tobacco smoke 19.2.1.5 Determinants of exposure to tobacco smoke 19.2.1.6 Health consequences of exposure to tobacco smoke 19.2.1.7 The use of novel and emerging tobacco and/or nicotine products 19.2.1.8 Tobacco-related costs 19.2.1.9 Tobacco-related mortality 19.2.1.10 Tobacco use among pregnant women 19.2.1.11 The use of tobacco cessation services and cessation (e.g. quit rates) 19.2.1.12 Illicit trade in tobacco products 19.2.1.13 Other monitoring and/or surveillance efforts relevant to tobacco control (please specify)	Reference: Article 20.2 and Article 20.3a

Question number		Question	Instructions
	If yes to any monitoring or epidemiological surveillance:		
	19.2.2	<p>Please upload any major monitoring or epidemiological surveillance reports since the submission of your previous report.</p> <p><i>B. File upload (allow multiple – ask for each yes response above).</i></p> <p><i>C.
